Drug Arm, reaching out to people in Warwick

Drug Arm Australasia has been delivering the Alcohol and other Drug (AOD) clinical program in Warwick for over 3 years providing assessment and support, case management, brief treatment interventions, counselling and appropriate supported referrals.

"We are open Monday through to Friday from 9am to 5pm so please contact us and we will be more than happy to assist you with your enquiry," said Tessy Jacob, Warwick AOD Clinical Worker, Drug Arm.

The program provides information and support for individuals and families experiencing difficulties with alcohol, tobacco and other drugs. It offers intensive case management to those who require ongoing support and experience significant barriers to overcome or manage their addiction to alcohol, tobacco and other drugs as well as any related issues.

Drug Arm has served the Warwick region for over 10 years and we look forward to serving your community well into the future.

Currently Drug Arm is undergoing a Queensland Government procurement process in order to secure ongoing funding.

Drug Arm is a specialist, non-government alcohol and other drug agency which is committed to reducing harms associated with alcohol and other drug use. Drug Arm has been providing quality alcohol and other drug related information, awareness, prevention, education, treatment, outreach and diversion services in New South Wales, South Australia, and in Queensland for over 100 years.

For more information about Drug Arm's AOD program in Warwick please call Tessy on 07 4661 9734.
