Op-Shop thanks customers for ongoing support with huge one-day sale!

Local not-for-profit group Drug ARM (Awareness, Rehabilitation, Management) is acknowledging the support of loyal patrons and efforts of local volunteers at the Toowoomba Op Shop at a VIP Morning Tea and 50% off sale this Thursday 13 October 2016.

Drug ARM CEO Dr Dennis Young said the organisation is incredibly grateful for the hard work and dedication of the Op Shop volunteers and the customers and donors that support the shop.

“The Op Shop volunteers have raised an incredible \$25,000 already this year. These funds provide crucial support for Drug ARM’s self-funded outreach, education and counselling services.” Dr Young said.

“Raising these funds would not be possible without the loyal and generous customer base who regularly donate and purchase items including clothing, jewellery, bric a brac and toys.”

Supporters were recently invited to provide feedback about why they like shopping at the Drug ARM Op Shop.

One supporter said, “It’s an absolutely fabulous little shop, with great staff and even better bargains. One feels as though he’s on a magical ride through someone else’s clothes, shoes and bed linen.”

Drug ARM will be thanking its loyal customers and volunteers with a morning tea on Thursday 14 October 2016 starting at 10:00am where all stock will be half price all day.

All local residents are welcome and can RSVP to 07 3620 8800 or donate@drugarm.com.au by 5pm Wednesday 12 October 2016.

About Drug ARM: Committed to reducing harms associated with alcohol and other drug use, Drug ARM provides vital care and compassion to support people, families and communities throughout Queensland with a range of programs and services that include education, outreach, prevention and treatment.
